

## ***SICILIAN BROTHERS PIZZA***

**Take and Bake Pizza Instructions**

**We make it fresh, you bake.**

**Our Pizza - Your Home!**

*Includes our oven safe baking tray.*

**Remove from refrigerator, let pizza stand at room temperature for 1 hour to allow the crust to rise.**

**Allow oven to reach 425°F, remove plastic wrap and place pizza and tray on middle rack of the oven.**

**Average baking time is 12-18 minutes. Pizza is done when crust is golden brown and cheese is melted.**

**Let pizza sit for 5 minutes before cutting.**

**Call us if you have any questions.**

*We recommend baking & eating within 72 hrs. from date of purchase.*
